

# KIRKCUDBRIGHT SAILING CLUB

## Sailing programme 2010

Cruises are suggestions only and dependent on the weather and usually take place over the tide, requiring an early start.

The races are open to all members, whether new to racing/sailing or experienced racers. Racing is a fun way to get out on the water and helps us all to hone our boat handling skills.

**High water times are BST Kirkcudbright Bay**

On race day please meet at the club house about 2 hours before high water.

**PLEASE INDICATE IF YOU WILL BE TAKING PART**
